Committee Accepts Telephone Proposition

Business Phones Will Be Raised in Return for Which Free Service Between Towns and Four Party Service Will Be Restored.

At a meeting of the telephone users committee held in the Lehi Commercial Club Monday, Mr. A. G. Krauss representing the Mountain States Telephone and Telegraph Co. made the following proposition:

That in consideration of the Telephone Users Committee agreeing to drop any further agitation and its co-operation in securing the reinstallation of the phones recently taken out the Mountain States Telephone and Telegraph company agrees to:

1st.—To remove the toll rate between Lehi, American Fork and Pleasant Grove and establish free service between these three exchanges.

2nd.—That the four-party service where same is applied for by four parties within a radius of two or three blocks, or where four subscribers can be secured by a salesman or an employee of the company within a like distance will be granted at the rate of \$1.75 per month.

3rd.—There will be no charge for re-installing phones recently taken out.

4th.—That the standard rate for business phones in the three exchanges shall be \$3.50 for two-party service and \$4.00 for individual service.

5th.—That the foregoing propositions will be reduced to writing and signed by the Division Manager of the Telephone company.

6th.—That the free service between exchanges will go into effect as of date August 1st, and the increased rate on business phones as of September 1st, 1915.

President S. L. Chipman moved that the proposition of the Telephone Co. be accepted, and the motion was carried unanimously.

Meetings of the telephone users at all others interested will be held Monday evening at 8 p. m. at Lehi in the Assembly rooms, at American Fork in the City Hall and at Pleasant Grove in the City Hall when the propositions of the Telephone Company will be submitted for their acceptance or rejection.

There were present at the meeting A. J. Evans, J. E. Cotter, S. L. Chipman, J. H. Storrs, C. E. Young, N. M. Ambrose, Prof. Morgan, Dr. C. F. Westphal and John F. Clark.

The proposition accepted by the committee will undoubtedly be accepted by the telephone users which will end the agitation for the formation of a new telephone company and will restore the telephone situation to its normal condition. During the agitation, according to Mr. Krauss, 175 telephones were taken out in the three towns leaving 180 phones in American Fork, 160 in Lehi and 90 in Pleasant Grove. Under the new arrangement and with good feeling restored, he thinks that a combined subscription of 750 phones will be obtained in the three towns.

Many people in the three towns have been interviewed and almost without exception the people are well satisfied with the solution of the trouble as a dual telephone system is most undesirable. The people feel that the Telephone Company has gone more than half way in solving the differences between the company and the users and that larger exchanges than ever will be the result.

Three Ball Games To Settle Championship

Lehi and American Fork Will Try Conclusions on Diamond at Lehi Next Wednesday.

Lehi and American Fork will play base ball next Wednesday at the Lehi City Park. It will be the first game of a series of three to determine the championship of the North end of Utah county. The next game will be at American Fork the following Wednesday, and the two teams will toss a coin to determine where the third game is to be played. There will be a purse of \$75 for the winning team, so the fans can depend on a ball being played. The warm contest between the two teams two years ago, is said to be as a gentle zephyr to a whirlwind when compared to these three games the next three weeks. Already the American Fork sports are offering some good sized wagers on the final outcome. The managers of the two teams, however, are trying to discourage betting as they are arranging the series purely in the interest of clean sport and for sport's sake.

Efforts will be made to have the silver bands from both towns attend the games to spur the boys on to do their best.

Both teams have been winning games this year, but never came together until last Wednesday, when they met at Saratoga with a result of 3 to 2 in favor of Lehi. This game, however, was not a real test of the merits of the two teams as the game only lasted six innings and was played on a recently mowed alfalfa field. Neither team had all its best men, but the game was a good one and whetted the fans' appetites for more.

NEWSY NOTES FROM ALPINE.

Miss Beulah Orr of Highland, on Monday was in a tree reaching for a specially tempting peach, when she fell, breaking her arm. The injured member received prompt attention; but she will not gather peaches for some little time to come.

A small son arrived at the home of Mr. and Mrs. Emil McDaniel last Sunday night, and his welcome was such that he has concluded to remain a member of the family.

Dewey Bennett, in opening a heavily charged bottle of root beer, received some very painful wounds this week. The bottle exploded, sending a shower of fragments in all directions, breaking glass in the windows, and the youth was badly cut about the throat and face. A number of stitches, twelve, to be exact—were required to bring the wounds together; but a last reports the patient was getting along nicely.

M. I. A. Convention Sunday, August 29th

At an officers' meeting held Sunday, it was voted to hold the M. I. A. Convention here Sunday, August 29th. The first session will be held at 11 o'clock, the second at 2:15 and the third at 7:45. The Stake Officers voted to make an endeavor to have a 100 percent attendance of all the ward officers. Several members of the general board will be present and lead out in the discussions.

The morning session will be held conjointly, when the following subjects will be discussed:

I—Contest work and special activities.
II—Social Work.
III—Joint Reading Course.
IV—Preliminary Programs.
V—Joint Supervision.

Afternoon program Young Men's Division.

I—Fund, Era and Manuals.
II—Vocations and Industries.
III—Scout Work.
IV—Class Work.
V—Making Things go.

Afternoon Program Young Ladies' Division.

I—Roll Call.
II—Report of summer work.
III—Review of Winter Work.
IV—Special work of Officers.
V—Guide work 1915-16.

At the evening session there will be two addresses by board members on "The Joy of Living the Gospel" and "The Spirit of the Gospel in M. I. A. Work."

Dates Fixed For M. I. A. Fair

At the M. I. A. meeting held Sunday the dates for holding the Stake fair were fixed for Thursday, Friday and Saturday, September 27th, 28th, and 29th. Everybody in the North end of Utah County will be asked to make exhibits, whether they are M. I. A. workers or not. The plans being matured will provide for an exhibition superior in every respect to the one given last year. One interesting feature will be the department devoted to vocations and industries. There are sixteen wards in the Alpine Stake and each ward will be asked to represent a different vocation or industry arranged to illustrate it in such a way as to create an ambition in some young man to follow that industry. One evening will probably be devoted to vocations and industries and speakers will briefly tell of the advantages of following each of the leading vocations.

PROBATE AND GUARDIANSHIP NOTICE.

Consult County Clerk or the Respective Signers for Further Information.

NOTICE TO CREDITORS

Estate of Magnus Nelson, Deceased.
Creditors will present claims, with vouchers, to the undersigned at Pleasant Grove City, Utah, on or before December 1, 1915.
